The Bradford Golf Club

Set in peaceful and tranquil countryside near the village of Hawksworth, The Bradford Golf Club is ideally situated to take you away from the hustle and bustle of everyday life and lead you into a world of your own where you can quietly reflect on, and celebrate, a loved one's life well lived.

The impressive clubhouse has recently undergone a major refurbishment and is now recognized as one of the leading function venues in the area. Surrounded by an immaculate championship golf course, guests can enjoy the stunning views over Baildon and Rombald moors

Catering at The Bradford Golf Club is all about local, seasonal produce; freshly prepared, restaurant-quality dishes; an imaginative variety of different finger buffet and full meal options; and friendly, attentive service. Our team of experienced chefs are able to provide an excellent choice of menus at different price points, as well as catering for any special diets.

Both small and large groups of guests can be accommodated, with the Fowler Room specifically designed to host as many as 150 guests at a time.

Importantly, our management team will help you to plan everything down to the very last detail and they will be on hand personally to ensure that everything runs smoothly – leaving you to reflect on, and celebrate, a loved one's life well lived.
